Be a Life Changer!

The Center for Independent Living of Central PA (CILCP) is participating in Highmark’s 2018 Walk for a Healthy Community on May 19, 2018 where participants walk, roll, or stroll around HACC Harrisburg to raise money for affordable and accessible transportation!

Accessible & affordable transportation is one of the largest barriers for people with disabilities and older adults who want to live well and enjoy life. Because there is a fee for this service, the majority of the people who would use it, cannot afford to pay for it; especially on a routine basis. Our goal is to make the CILCP’s Living Well Transport Service affordable by subsidizing the rider fee which aligns with our mission of offering innovative programs.

Currently we operate in Dauphin and Cumberland County to fill in the transportation gaps by offering transportation on evenings and weekends for any reason and even crossing County lines. This is a life changer for many people with disabilities and older adults!

To accomplish our goal, we want to raise $15,000 through the Highmark Walk. We are seeking individuals and organizations who may want to sponsor the CILCP. There are several sponsor levels available because every dollar goes a mile!

If you have questions, please contact Sharon Behun, Director of Program Development & Expansion at 717-731-1900 extension 224 or at sbehun@cilcp.org.

Together, we can make a difference by giving people with disabilities and older adults a life after 5 p.m. and on weekends!

Sincerely,

Theo Braddy
CEO
