Center for Independent Living of Central Pennsylvania’s Living Well Transport Services (LWTS) provides curb to curb transportation services to the elderly and people with disabilities.

About Us

Since the Center for Independent Living of Central PA’s inception, it has established numerous programs, and the Independent Living philosophy remains the heart of its mission.

This philosophy simply affirms that all persons with disabilities have the right to choose and fully participate in all aspects of society. The CILCP is wholeheartedly committed to this philosophy, and diligently works toward a continuum of comprehensive services for people with disabilities in Central Pennsylvania.

What We Do

- Provide safe accessible transportation in state-of-the-art vehicles designed for the elderly and people with disabilities
- Operate outside of normal business hours
- Provide non emergency transport
- Take you anywhere you would like to go (ex. doctor’s appointments, family outings, church, theater, restaurants)

Why We Do This

- CILCP believes that access to affordable, accessible transportation is a basic human right.
- Transportation allows a person to: connect with community events, dinner with friends, last minute decisions to see a movie and other essential life destinations. This allows participants to live well by experiencing positive emotional and mental benefits gained through human interaction.
- By providing participants with transportation to their regular doctor’s appointments, participants are less likely to require emergency care.
- CILCP is committed and continues to advocate to remove barriers, and make access to transportation available, so that the elderly and people with disabilities can Live Well!
