

CILCP is your GPS to transportation!

Give Back 2019!

The Center for Independent Living of Central PA (CILCP), created Living Well Transport Services (LWTS) to offer people with disabilities & older adults another option to travel in their community. LWTS has been in operation for a little over a year and is becoming a cornerstone.

LWTS is unique. LWTS is flexible. It is not like other providers—it has expanded hours of operation and does not impose restricted reasons for a ride! With the money raised in 2018, we created the “Discount Rider Program” to subsidize rides for people, who otherwise, could not afford to get where they were going. We now have a fleet of three vehicles; each vehicle is accessible to people using wheelchairs or a mobility device such as a walker or scooter. Last, but not least we hired a full-time Transportation Manager! As you can see the service is steadily growing because the need is so great!

The CILCP’s annual campaign, *Give Back 2019*, runs February 1- June 30, 2019 and our goal is to raise a minimum of \$20,000 to continue what we started and to grow the service. To meet our goal, the CILCP is participating in the Highmark Walk for a Healthy Community, we are planning a series of fundraiser events leading to the walk on May 18, 2018 and we need your help! To learn more about LWTS, *Give Back 2019* and to make a donation, visit www.cilcp.org.

LWTS gives choice, lessens isolation, and helps people be active in their community. Because of LWTS people can attend family birthday celebrations, get to a grocery store and attend dinner with friends. Most people jump in the car and go, but not everyone has that luxury. LWTS is their key to independence!

Please feel free to contact Sharon Behun, Director of Program Development & Expansion, at 717-731-1900 extension 224 or at sbehun@cilcp.org with your questions.

Thanks for your time & please consider making a donation to this worthwhile service!

Sincerely,
Vini
